Gents.

Allow me to lay before you with this a subscription list for a work that I think would be of special interest to your gallery. You will see by the list that all the important galleries of Europe have subscribed to the work, and I shall be glad to receive your subscription if your committee think it favorable. Would like to call for the list again today as I desire to send it to some other parties, but would like the gallery subscription to head the list. Hoping this may meet with your favorable consideration
